

Loving Our Kids On Purpose brings a fresh perspective to the age-old role of parenting. It's a powerful strategy that works, beginning with toddlers all the way through to adulthood.

In 8 sessions you will learn how to:

- ◆ Protect your connection with your children.
- ◆ Teach them to manage increasing levels of freedom.
- ◆ Replace the tools of intimidation and control with strategies that actually work!
- ◆ Create a safe place for children to build confidence and increase personal responsibility.
