

24/7 Prayer List
September 7, 2012

Join us as we release God's Kingdom in these 7 areas in our community:

Family: Declare that families would prosper spiritually, relationally, and economically. Let's continue to ask God for a reduction of family violence, particularly involving children. And, may this new school year be one of healthy growth and learning for families and students.

Church: Thank the Lord for more hunger for God in our local churches. Pray for a stewarding of the increase in power the Lord is giving us. Declare unity among church leadership, and for a heart of love and acceptance as the unchurched come to our doors.

Business: Pray that businesses in our area would prosper, and that there would be new businesses opening. Pray also for godly business owners to be strengthened and help fund the Kingdom.

Government: Pray for integrity and righteousness for our governmental officials; That there would be an increase in the desire for God's wisdom in decision making.

Arts/Entertainment/Media: Pray that this arena would be harnessed by the Holy Spirit to bring the message of the Gospel to a lost world. Pray for revival in Hollywood's "movers and shakers."

Military: Pray for safety for our soldiers around the world; pray for strong support systems for the families of our soldiers. Pray that finances are not an issue of stress for the family while deployed. Also, that their children would be rewarded with the covering of God while parents are activated. Pray for good jobs for them to step into when they return home.

Education: Pray for a safe school year, free of violence and anarchy. Pray that the spirits of confusion and rebellion among students would decrease, and love and peace from God to increase. Ask God for revival among students, and that we see students and families flourish.
